

OSHA FOR DG TRAINERS

Best Practices Workshop

OSHA FOR DG TRAINERS

Do you do Hazardous Material Training?

Hazard Classes?

Domestic?

International?

Mode?

OSHA FOR DG TRAINERS

Do you do Hazardous Material Training?

Yes but . . .

Transportation?

OSHA?

Other?

Combination?

We send out small quantities of hazardous waste

OSHA FOR DG TRAINERS

What is a “Hazardous Material”?

Using OSHA Table of contents, develop a comparison/contrast of OSHA defined Hazardous Materials vs. DOT

OSHA FOR DG TRAINERS

Do you do Hazardous Material Training?

Using OSHA Table of contents, develop a list of all the possible “Hazardous Materials” training that you think they might be asking about

OSHA FOR DG TRAINERS

Do you do Hazardous Material Training?

Yes but . . .

OSHA?

Hazard Communication

Chemical Spill Response

Process Safety Management

Chemical Specific

OSHA FOR DG TRAINERS

Do you do Hazardous Material Training?

“We only have some flammable liquids”

Using OSHA Flammable liquid definitions,
develop a comparison/contrast of OSHA
Flammable vs. DOT

OSHA FOR DG TRAINERS

What training is necessary for employees who handle DG's as defined in transportation regulations?

Given the following pictures/scenario – what training would be needed? (Or perhaps what training wasn't adequately given?)

OSHA FOR DG TRAINERS

OSHA FOR DG TRAINERS

OSHA FOR DG TRAINERS

OSHA FOR DG TRAINERS

Do you do Hazardous Material Training?

Hazard Communication

Chemical Spill Response

Process Safety Management

Using the explanation provided of these 3 topics – could you fit any of them into your DG training?

OSHA FOR DG TRAINERS

What are the OSHA requirements for:

Written Programs?

Training?

Inspections?

For Training – When does it need to be done and when repeated?

OSHA FOR DG TRAINERS
