

THE GHOST OF DG TRAINING PAST

A potty history

Intro..... . .

- Small beginnings
- 13 years cargo operational experience
- No other training qualification
- Missionary zeal for aviation safety

A dream of a job

- Better on a camel
- The Irish Connection
- The Iranian Revolution
- Paradise
- The desert storm
- The Canadian adventure
- The whole in one

Lessons learned

- Start at the beginning.....
 - Know your audience
- Language skills
 - None
 - But I know a man that does
- Direct questions
 - No problem

Visual aids

- Chalk and talk
- Handouts
- Films, videos and CDs
- Packages and Declarations
- Pallets and Contour gauges

Training

- Practical and OJT
 - PNG
- Customised
 - to the needs of students
 - not all you know!
- Refresher
 - Manila to Houston
 - Sana'a to Nairobi

Evaluation

- Tests
 - cheat proof
- Apply the regulations
 - don't copy chunks of text
- Give results (feedback) immediately
 - or go over the test before departure
- Student evaluations
 - timing vital!
- Enticements v Integrity

Go forward..... .

- Keep up to date
- Learn from experience
- Never be afraid to admit you don't know
 - but find out!
- Network with other instructors
- Maintain quality
- Prime objective
 - *Aviation safety!*
