

## Final Exercise

Using the NEW Packing Instruction Handout (Handout # 4), please work through the following questions:

1. The newly reformatted Packing Instructions are designed to remove inconsistencies apparent in the existing PI's, separate clearly passenger and cargo aircraft instructions, improve the grouping of substances assigned to specific packing instructions, harmonize with the UN and remove unnecessary or unjustifiable packaging restrictions – **TRUE** or **FALSE**?
2. The new Packing Instructions come into effect January 1, 2011 – **TRUE** or **FALSE**?
3. In the newly reformatted Packing Instructions, some PI's have not changed as they were already in harmonization with the UN – **TRUE** or **FALSE**?
4. Fill in the following Table:

Substance	Old LTD QTY PI	New LTD QTY PI	OLD PAX PI	NEW PAX PI	OLD CAO PI	NEW CAO PI
Acetone						
UN1108						
Calcium						
UN1700						

5. List three differences between the NEW packing instructions and the current ones:
